

GARANTÍA

El producto tiene garantía de dos años si ha sido correctamente utilizado. Para incidencias en el transporte o recepción de productos que no se corresponden con el pedido, la reclamación debe efectuarse dentro de los 10 días posteriores a la recepción de la mercancía.

El producto tendrá reparación totalmente gratuita de los vicios originales y de los daños y perjuicios por ellos ocasionados. En los supuestos en los que la reparación efectuada no fuera satisfactoria y el objeto no revistiese las condiciones óptimas para cumplir el uso al que estuviese destinado, el titular de la garantía tendrá derecho a la sustitución o a la devolución del precio pagado.

WARRANTY

This product comes with a two-year warranty against defects under normal use. For incidents in the transportation or receipt of products that do not correspond to the order, the claim must be made within 10 days after receipt of the merchandise.

The product will have a free repair of those original defects and damages caused by them. In cases where the repair performed is not satisfactory and the object no issue is of optimum conditions to fulfil the purpose for which it was destined, the owner of the guarantee will be entitled to replacement or refund of the price paid.
