

EXPLORER

side table

bd

The Explorer Side Tables call to satellites, jelly beans and the playful elegance of Jamie Hayon. Inspired by the Explorer space rocket, their space-age aesthetics and lively personality come out in the three side tables. Available in three sizes and three multi-coloured variations, the tables have an energy and a sculptural identity presented through their functional shape, welcoming colours, and a comfortable scale.

Explorer side table

FINISHES

Body in fibreglass with lacquered matte finish. Legs in solid alder and laquered in matte. Top in glass painted dark grey.

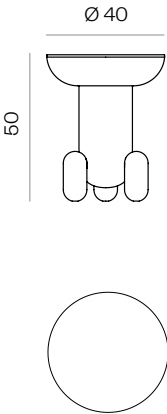

DESIGNER

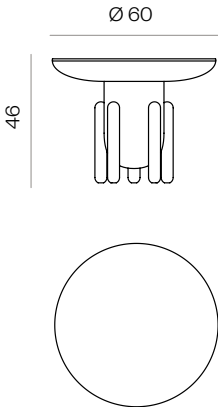

JAIME HAYON
