MIA

Designed by Francesco Bettoni

A compact, soft, comfortable armchair with a strong personality has joined the MDF Italia collection. The Mia soft design comes from the simple gesture of folding a cushion to create a nest - a shelter for relaxing moments. Mia collection is characterized by a soft compact armchair, sofas and pouf, with a strong character enhanced by its tone-on-tone or contrasting trim. The armchair is available with a fixed or with a 360° returning swivel base. The sofas, are integrating the collection offering three upholstered elements with smaller dimensions matching any ambient.

STRUCTURE

The supporting structure is made of solid wood and plywood with a base equipped with elastic belts; the filling is in variable density polyurethane foam, and the cover in polyester padding.

COVER

The Mia collection is characterized by an extrathick decorative trim which emphasizes its sinuosity by tracing its edges and intersections. The trim can be in the same tone of the cover, or in a contrast colour based on the customers' choice. The fabric cover embraces the entire product and is tailored to enhance its shape and softness.
