

## Lightwood / TABLE

An elegant table with a relaxed appearance. You can enjoy the gentle yet luxurious appearance of the wood veneer tabletop option while also appreciating the comfortable way in which the angle of the slight outward incline of the tabletop edges perfectly fits the elbows rested on the table. Corian® made by DuPont™, which is often used in a variety of applications such as kitchens and sinks, is used in the artificial marble tabletop, making for extremely easy maintenance. This light yet elegant table can be used in a wide range of settings from the home to contract applications.

## WARRANTY

We will guarantee the product for two years from the date of delivery of the product. For the content of quality assurance please see the "Warranty Policy" included in the product.

## TECHNICAL INFORMATION

## WOOD

The wood used in this product is obtained from maple, oak or ash trees in North America that are managed and felled in a planned manner. If required, we can manufacture furniture with the FSC® or PEFC™ certification. In that case, however, longer lead-time will be required to procure the wood.

## VOC

The coating, glue, plywood, and MDF used here reduce VOC emissions in manufacturing processes and finished products. These materials have been tested for formaldehyde emissions in accordance with the ISO12460 standard and confirmed not to exceed the 0.4 mg/l emission level.

## PURPOSE OF USE

Indoor

Maruni Wood Industry has established various test standards and designs for comfortable use, however, use of products beyond the expected scope can lead to cracking and snapping of wood parts. There are several things you should keep in mind in order to properly preserve the product and continue using it for a long time. Therefore, be sure to read the instruction manual beforehand.
