

## Charles Outdoor

**ARMCHAIRS** 

2010

Antonio Citterio

## Description

The Charles Outdoor armchair, part of the homonymous series of outdoor seating, maintains the characteristics that have made the Charles indoor seating system a classic with a decidedly contemporary taste. Indeed, the system features the same slim frame, flexibility and signature design of the inverted "L" shaped feet. With its rigorous, timeless aesthetic, it stands out for its surface created by an open interlacing polypropylene ribbon.

### Technical information

1

#### **Internal frame**

tubular aluminium and aluminium profiles

#### Interlacing

polypropylene fibre

#### Seat cushion

shaped polyurethane, cover in water repellent polyester fibre

#### **Back cushion**

polyester fibre, cover in water repellent polyester fibre

#### Feet

die-cast aluminium with polyester powder painting
