

# Herman Miller Collection

## Eames® Storage Unit 200 Series

**Designer**

Charles and Ray Eames

**Producer**

Herman Miller

**Original Production Date**

1950

**Warranty**

5 years

With a defined grid of shelving and cases, this unit is a candid response to the never-ending need for a place to organize and keep things. Steel cross-supports and uprights ensure stability; a selection of decorative options, from painted hardboard panels to molded plywood sliding doors, add whimsy.
