

LOX. Design: PearsonLloyd.

The bucket seat Lox reflects the spirit of the times. The clear silhouette with its flowing lines is pleasantly inviting: sculptural in shape, minimalist in materials, comfortable for the owner. On the outside, the sweeping bucket supports your back. Inside, the seat and back pads ensure comfort. On its four-star base Lox swivels slightly.

Product description

Design awards

Modell no.

1353/1354/
