Self-bearing washbasin countertop
 characterised by light touch and high
 configurability, with recesses.

Finiture

-  White Carrara
-  Grey Carnico
-  Black Marquina
-  White
-  Green Alpi
-  Dark Emperador

Materiali

-  Marble
-  Corian®

The self-bearing countertop is supported by brackets fixed to the wall. The front edge is chamfered, while the short sides can be chamfered or straight for positioning in a corner or niche. The countertop is made of Corian® white marble (Glacier White) or Carrara white marble, Carnic gray, Marquina black, Alpi green or dark Emperador. The recesses are freely positioned along the whole length of the top complying with the distances from the edges and those between the recesses and they are complete with grill. The basin is not fitted with drain. Designed for waste .MET0569 with concealed waste trap .PLA0456. A wooden "X" non bearing additional side structure is available.

Note: Upon request, and after technical evaluation, other Corian® colours and types of marble are possible. It is available with a minimum length of 80 cm (31" 1/4) and a maximum length of 260 cm (102" 23/64).
