**Designer**

Charles and Ray Eames

Producer

Herman Miller

Original Production Date

1950

Design for the Environment

6% recycled content;
26% recyclable

Warranty

5 years

Offering a thoughtfully proportioned surface space and two shelves of open storage, this desk answers the never-ending need for a place to work and store things. Steel cross-supports and uprights ensure stability; painted hardboard panel options add a measure of whimsy.
