NEIL STOOL

Designed by Jean Marie Massaud

To complete Neil collection, Jean Marie Massaud also designed a stool version, creating a very versatile and complete family of seats.

Available in two heights, 65cm and 78cm, the steel frame draws a linear silhouette in which the essential aesthetics is combined with comfort and ergonomics.

Available in Leather, Textile and Twist version, Neil Stool confers an informal elegance to different environments and is perfect in combination with kitchens, bar counters and high tables.

This product expresses its versatility not only in residential but also in contract settings, fitting effectively into various contemporary contexts.

The different finishes available make Neil Stools perfect in various contexts with different styles.

NEIL LEATHER STOOL

STRUCTURE

The load-bearing structure of the seat and backrest is made in steel wire and available in a glossy galvanic finish in black chrome.

UPHOLSTERY

The thick full grain saddle-hide is simply stretched taut between the parts of the structure and guarantees unexpected comfort even though it has a simple, definite form.

The product is made completely by hand, entirely in Italy, a guarantee of high-quality craftsmanship and great attention to detail: seams in heavy duty thread, dyed edges, and pressed areas on the leather surface form raised decorations that emphasise the tension and pattern. The saddle-hide upholstery is available in the following colour variants: Black (02), Dark Grey (03), Natural (26) and Turtledove (29). The saddle-hide upholstery is not removable.

Only indoor use.

NEIL TEXTILE STOOL

STRUCTURE

The load-bearing steel frame of the seat and backrest is available in black chrome glossy galvanic finish.

UPHOLSTERY

The fabric upholstery, coupled and simply stretched on the frame, is characterized by riveted seams and colour matching aesthetic stitching on the seat and back, decorations that emphasise the tension and the pattern. The upholstery fabric is removable.

Only indoor use.

NEIL TWIST STOOL

STRUCTURE

Load-bearing seating structure made of steel, woven with high-tenacity polyester cord, solution-dyed, guaranteeing high resistance to atmospheric agents, light, and abrasions, with stretch resistance. Sled-base made of steel rod. The frames are powder painted in matt white and black nickel with a specific treatment for outdoor use.

VARIANTS AND TYPES

The seats are made with an original and exclusive weave. Handmade product. 100% made in Italy.

Cord weave available in the following colours: matt ecru (col. 23), matt anthracite grey (col. 03), glossy silver grey (col. 04), glossy English green (col. 17), glossy orange (col. 11). All Neil Twist models have a contrasting stitching detail, in glossy anthracite colour.

ACCESSORIES

Protective tarpaulin specifically for outdoor products, in light gray color, waterproof, made of 100% polyester, outside with acrylic coating, inside with acrylic resin coating.

Indoor/outdoor use.
