
Borea

SMALL TABLES

Piero Lissoni

Description

The low tables designed to complement the sofas and chairs have the same tops composed of glazed lava stone tiles. They are available in two sizes with structures in steel rod painted. The collection is enriched and completed by a series of round tables that offer multiple support solutions in a variety of shapes, sizes and materials. The Borea coffee tables, in different sizes and heights, have thin structures in painted steel rod and tops in glazed lava stone.
