Per i divani Cap Martin Sunset, un sistema di sedute estremamente versatili, caratterizzate da linee pulite e asciutte, Carlo Colombo trova ispirazione nelle atmosfere elegantemente vintage degli anni '50. L'eleganza di questi divani è sottolineata dai braccioli con cerniera a scomparsa e doppia cucitura ribattuta in gros-grain: un aspetto che ne esalta l'estrema cura sartoriale. I cuscini liberi, con rivestimento sfoderabile in pelle e tessuto, donano alla collezione un tocco di rilassata informalità, riconfermata dalla sottile struttura in tubolare di metallo studiata per conferire alle sedute un look estremamente leggero.

For the Cap Martin Sunset sofas, an extremely versatile seating system characterized by clean essential lines, Carlo Colombo found his inspiration in the elegantly vintage atmospheres of the 1950's. The elegance of the sofas is emphasized by the armrests, trimmed with double stitching and gros-grain and equipped with concealed zippers. The loose cushions, with detachable covers in leather and fabric, give the collection a hint of relaxed informality which is also reflected in the slender tubular metal structure, studied to make the seats appear extremely light.
