
Jean

SOFAS

Antonio Citterio

Description

The Jean seating system, designed for the home by Antonio Citterio, has been extended to the contract sector in a new collection of armchairs and sofas of two and three seats. The product features integrated cushions that create a tight architectural look.

Technical drawings

B&B Italia reserves the right to make technological and aesthetic improvements to its models, including changes to the sizes and materials, without notice. The technical drawings do not define the details of the product. The measurements shown are indicative and may undergo changes. In particular, the dimensions relevant to the padded parts are subject to usage tolerances over time caused by the normal adjustment of the padding. For the specific information, please contact the dealer closest to you.
